Interpretation of common laboratory findings in Acute Care Setting

Course information:

This course is organized by HKSNE and co-organized by Tung Wah College. It will provide an overview of common laboratory and essential tests in Acute Care Setting. The course will cover the interpretations of common laboratory findings in Acute Care and its clinical significance that are relevant to daily practice, equipping nurses with essential knowledge to process information in clinical reasoning.

Speaker:

Dr. So Sheung On is currently a consultant in Intensive Care Unit in the Queen Elizabeth Hospital. He is a Specialist in Critical Care Medicine. He has served in public hospitals for more than a decade and has accumulated extensive clinical experience in critical care medicine. He was an invited speaker in numerous educational programmes, including Post-Registration Certificate Course (PRCC) in Intensive Care, Medical, Surgical and Obstetric Nursing; ASM and education courses of Hong Kong College of Critical Care Nursing and Diploma, Master and Doctor courses of Nursing in HKU and CUHK.
